

# Language/Cultural Consultants Required

**Are you a health or allied professional (doctor, nurse, midwife etc)/ genetic counsellor living & working in the UK?**

**Interested in working on an occasional basis with the NHS Sickle Cell & Thalassaemia Screening Programme on an exciting project?**

**Do you speak any of the following languages as your "mother tongue"?**

- Portuguese
- Gujarati
- Swahili
- Romanian
- Kurdish - Sorani
- Sinhalese
- Somali
- Italian
- Arabic
- Punjabi
- Thai
- Dari
- Tamil
- Chinese (Cantonese & Mandarin)
- Polish
- Albanian
- Filipino - Tagalog
- Lingala
- Spanish
- Pashto
- Vietnamese
- Farsi

The NHS Sickle Cell & Thalassaemia Screening Programme are currently developing language materials (written, audio, alternative media) and would like to recruit individuals to check translated materials as a part of our quality assurance process.

Please reply with a short CV stating your qualifications & mother tongue to [Cynthia.Gill@kcl.ac.uk](mailto:Cynthia.Gill@kcl.ac.uk) copied to [Kemi.2.Johnson@kcl.ac.uk](mailto:Kemi.2.Johnson@kcl.ac.uk) by Monday 9th April 2007

Tel: 020 8686 8766 or 020 7848 6621 for further details
